

# HELP US NET A SOLUTION FOR SEABIRDS

We are looking for ideas how to reduce the risk of seabirds becoming caught in deepwater trawl nets. All ideas are welcome.

Use this form to tell us about your idea -

- Describe your idea with as much detail as you can.
- Use words, diagrams, photos – anything that helps us understand.
- Explain how the birds behave and how your idea will work to keep them from getting caught.
- Tell us anything else you think would be useful for us to know.
- Use the back of this form or attach more information if you need to.

Use this box to tell us about your idea:

We plan to share the ideas we receive on our website, and in stories and articles. Are you happy for others to know this was your idea?
